

Dear Community Partner,

Veterans Heritage Project (VHP) is a growing local non-profit organization which facilitates an award-winning after-school program. We annually serve 30 schools, 13,000 students (from 7<sup>th</sup> grade to college), and 300 veterans. Our mission is to *Connect Students with Veterans™ to Honor Veterans, Preserve America's Heritage, and Develop Future Leaders*. Helping to bridge the gap between civilian and military life, we strive to develop student's character and civic responsibility, while recognizing our veterans' legacy of service.

On March 5, 2022, VHP will be hosting its third annual **Saluting Stories of Service**. This fundraising gala, to be held at the Hilton Scottsdale Resort, will attract more than 300 U.S. veterans, educators, student alumni, family, and community leaders. As a non-profit organization (tax ID 26-4572636), we cannot achieve our mission and successfully execute this event without the help of our community.

We kindly ask for your support by way of any of the following contribution:

- In-kind donation of merchandise or service
- Creation of any type of gift package (to be valued at \$100+)
- Financial contribution to help offset event costs

To express our appreciation for your generosity, we will be pleased to recognize your participation on gala signage. Donations may be submitted to any member of our planning committee or mailed to our office at 10210 N. 32<sup>nd</sup> St., Suite C2, Phoenix, AZ 85028.

On behalf of the VHP team, we thank you for your consideration. Should you wish to learn more about our mission, purpose, and program, please visit our website at [veteransheritage.org](http://veteransheritage.org). I will also be happy to answer any question at [michelle@veteransheritage.org](mailto:michelle@veteransheritage.org) or 602-218-4036 x 101.

Sincerely,

A handwritten signature in black ink that reads "Michelle DiMuro".

Michelle DiMuro, CFRE  
Executive Director
